IMPORTANT READING

- ✎ Please note we have very limited space available to change and to wait - students only and one parent/care giver only will be allowed in. Due to privacy of children changing, preference will be females only. A body stocking is advised, this also ensures privacy for your child whilst changing.
- ✎ The day will have to be run to a strict schedule and will require co-operation from students and parents/caregivers to ensure that this day runs as smoothly as possible and all children get photographed.
- ✎ There may seem like clashes but we take a group shot then individuals so the children will have time to change. ***We will ensure all children are photographed despite the tight schedule BUT please don't be late as not everyone comes to photo day and we cannot wait if you are not there at your scheduled time and also be aware we may run slightly early or late. Sibling / family shots can also be taken during the day when there are breaks.***
- ✎ **Photographs cannot be taken on personal cameras or phones in the changing areas under the child protection laws, anyone seen doing this will be asked to leave.**
- ✎ Only bring essentials, costume, shoes and stockings. No dance bags due to limited space and **NO food or drink.**
- ✎ Children need to have hair slicked back in a bun for ballet or ponytail for other classes for every class - this must be done prior to arriving. If you prefer your child to be in makeup please do so at home prior to arrival.
- ✎ We do apologise for the drawn out photo schedule, but please be mindful that we have a large number of classes and children to facilitate. We have tried to be as accommodating as we can with groupings, allow fair times for changing, and for students to attend their usual classes.
- ✎ NOTE ACRO 2 CLASS IS CANCELLED ON THIS DAY
- ✎ PHOTOS OF COSTUMES MUST NOT BE DISPLAYED ON ANY SOCIAL MEDIA UNTIL AFTER THE PRODUCTION
