

## **THE STUDENT ADVANCEMENT COMMITTEE & ANNUAL LEVY**

The Student Advancement Committee is established to raise funds to cover production medals & scholarships, subsidises students to attend workshops and master-classes and helps towards exam costs. All parents are invited to attend meetings held each term.

The annual 'no-fuss' compulsory \$20 Student Advancement & Enrolment Levy per student is charged on the first invoice for the year.

Unfortunately \$20 doesn't cover all costs so some fundraising may occur during the year e.g. raffles, casual week & other activities.
